

Obtain an ‘Authorization’ Code

An authorization code is good for up to 48 hours from the time it is generated and can only be used *one* time.

Log on to SupraWEB

1. Go to; www.oabr.com
2. Click on the ‘Supra’ box
3. Click under the picture to access the SupraWEB login page.
4. Enter your User ID and Password and click ‘Submit’

(On April 1, 2010 Supra upgraded SupraWEB, you no longer use your key serial number and pin code to access the website. If you need to create your User ID and Password, see ‘Links’ on www.OABR.blogspot.com; SupraWEB - Create User ID and Password.)

Generate an Authorization Code

On the left side of the screen, Quick Links click Authorization Code
