About TeamMates

Tom and Nancy Osborne founded the TeamMates Mentoring Program in 1991 in an effort to provide support and encouragement to school aged youth. The goal of the program is to see youth graduate from high school and pursue post-secondary education. To reach this goal, youth meet one hour per week with a caring adult who serves as a mentor. Mentors are volunteers from the community who have dedicated themselves to making a difference in the life of a young person. Mentors give youth a sense of hope, purpose and vision. The TeamMates Mentoring Program currently provides a mentor for over 7,500 youth across Nebraska and Iowa.

TeamMates Mission

The mission of TeamMates is to positively impact the world by inspiring youth to reach their full potential through mentoring.
