

## **DISCONTINUE SHOWING NOTIFICATIONS VIA eKEY**

**Use when showing notifications are sent to incorrect agent**

**Agent receiving incorrect notifications:**

- 1) Open eKEY app on your phone.
- 2) Select 'My Keyboxes'
- 3) Tap on the serial # of the keybox you no longer wish to receive notifications for, tap 'Edit' and choose to 'Delete'
- 4) Go to the homescreen of app and select the 'Update' icon
