

TESTIMONIALS

- **Eric Noll, President Noll Spine and Orthopedic Physical Therapy, Inc.**

"I used the OABR conference room for a spine seminar. The facility was clean and professional in appearance, from the entrance to the seminar room, with a view overlooking the golf course. Lisa organized the room and handled technology, creating an intimate environment, and enabled me to get my message across effectively. This facility will be at the top of my list for future seminars."

- **Roger Morrissey, Broker**

"I have taught classes in several venues over the years but none compare to the OABR Education Center. The actual facility is comfortable, high-tech and has reasonable rental rates."

- **Wendy Kremer, Mannatech**

"We appreciate the beautiful decor, the classroom-style set up and that even coffee is provided!"

- **Kara McGowan, Surge Coaching**

"The OABR is an excellent choice for room rentals in Omaha. This location serves as a great neutral location for guests to attend an event. I especially love that you can access the facility early in the morning, if needed, before hosting a class or seminar. The room is always clean and perfectly ready."

- **Bette Case, ServiceOne**

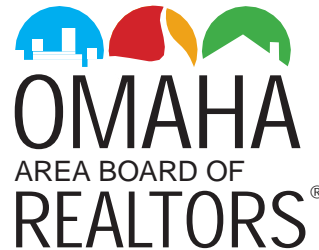

"Our experience renting the meeting room at the OABR office was great! The building was clean. The staff was very easy to work with and very accommodating. The attendees were very complimentary of the location/easy access and the facility itself. We would definitely rent the room again."

- **Diane Moore, Moore Appraisal Education, LLC**

"The room is always in super shape and the students love the facility."

Updated March 2018.

Frequently Asked Questions

- Should I bring my own coffee? We've got you covered! Coffee and supplies are provided for you to make coffee for your event.

- Can I bring in outside food and drinks? Yes! Outside food and beverage catering is acceptable, however pre-approval is required for the use of alcohol.

- What's included with a room rental? Both rooms are well equipped and include an overhead LCD projector, audio system, a Windows laptop, wireless mouse and keyboard. The education center also includes a podium, and an elevated stage with a large whiteboard. Easels and other accessories are available upon request.

- Am I responsible for cleanup? All trash should be collected in the receptacles provided and the room should be returned to its original configuration at the conclusion of the event.
