20. Release of Information: Purchaser and Seller authorize the release by Broker and/or its agents of information including price, financing and Property information regarding the purchase of this Property to the Great Plains Multiple Listing Service of the Omaha Area Board of REALTORS® Inc., its participants and government entities. Purchaser authorizes selling agent/broker to market the fact of the sale of this Property and related information including, but not limited to, the purchase price.

21. Survey: Purchaser is aware of the availability of having a survey to determine the property limits, measurements, building locations, encroachments from adjoining lands, and registered Easements which may affect the property. Purchaser agrees to pay for (select one):

- Improvement Location Survey / Plot Plan (minimum survey; or relied upon for establishment of structure or other improvements),
- Boundary and Improvement Location Survey (corners located/verified; improvements located; parcel checked for encroachments, may be used for construction with regard to local, state and federal regulations),

22. Seller Property Condition Disclosure: Purchaser acknowledges receipt of Seller Property Condition Disclosure Statement.

23. Property Inspections (Select as noted): Purchaser has been advised of the availability of property inspections. Unsatisfactory Home Condition, Asbestos, Mold, Lead and other contaminants may exist in the Property of which the Broker or Agent is unaware. Suspected Contaminants and home condition may be identified with a typical air quality or home inspection(s). Broker recommends Purchaser obtain inspection(s) of Purchaser’s choice to better determine the presence of contaminants and home condition.

Purchaser identifies the following inspections, as selected, which may be ordered:

- Whole House Inspection*or components or subsystems
- Structural
- Mold
- Septic System
- Well
- Lead Based Paint
- Radon
- Other _____

*“Whole house” inspections often include, but are not necessarily limited to, structure, exterior, roofing, plumbing, electrical, heating, central air conditioning, interior, insulation and ventilation. In some instances it may be advisable to consult a structural engineer as part of the inspections to the Property. Occasionally, whole house inspectors may use or recommend other inspectors in the course of a whole house inspection and they will be considered as part of the whole house inspection for notification purposes.

Purchaser elects NOT to obtain property inspections.

If Purchaser has elected to obtain property inspections, then the following provisions shall apply:

Within seven (7) (or _____) days after the final acceptance of this Purchase Agreement, Purchaser, at Purchaser’s expense, shall have the right to have a “qualified” inspector or inspectors perform any and all inspections of the real property as identified above, to determine whether the Property is satisfactory to Purchaser. To be “qualified” an inspector must be licensed, if required, in the state, county or city in which the Property is located. In any case, the inspections performed with regard to the Property under this Agreement must be in the ordinary course of the inspector’s business. The inspection report may or may not cover items required by the appraisal. Seller will allow inspectors reasonable access to the property within the specified timeframe.

If Purchaser chooses to have a radon inspection, and the results of the Radon test show average radon levels of 4 picocuries per liter (pCi/L) or higher, Seller will have a licensed radon mitigation company professionally install a mitigation system and will either provide after-installation test results of below 4.0 picocuries per liter of radon, or a guarantee from the radon mitigation company that the level of radon will be below 4.0 picocuries, with a transfer of the warranty to Purchaser. A copy of the paid receipt and either test results or guarantee will be provided to Purchaser prior to closing. Should Seller successfully complete mitigation under this Paragraph, Purchaser agrees to accept the Property in its mitigated condition.

Purchaser’s Response to Inspection Reports: Within two (2) days (or _____) of Purchaser's receipt of all requested inspection reports, the Purchaser shall notify Seller of Purchaser’s requested course of action, which may be delineated on the Property Inspection Resolution Addendum and Purchaser shall also provide Seller with relevant pages of the inspection report(s). Purchaser’s course of action shall be set forth as one of the three options below:

Option “A” – After receipt of Inspections, the Purchaser(s) may choose not to request any action of Seller and to waive further objection regarding the home inspection findings.

Option “B” – If the report(s) reveal(s) any condition, issue or defect that is unsatisfactory to Purchaser, the Purchaser may deliver a written request for repair and or remediation, as required, to the Seller. Such request shall include a copy of the relevant inspection report or summary from the qualified inspector.

Option “C” – If the condition of the Property, as shown in any inspection or report, is unsatisfactory to Purchaser(s), then the Purchaser may terminate the Purchase Agreement with written notice to the Seller, at which time Purchaser shall be paid the Deposit with no further agreement or release required. Upon Seller’s request, Purchaser agrees to provide a copy of the relevant inspection report or summary from the qualified inspector.

Purchaser’s failure to deliver the report and written notification or request within the specified time period will result in Purchaser’s acceptance of the Property “as is” and Purchaser shall be deemed to have waived any objection based on Property inspections under this section.

Within forty-eight (48) hours (or _____) of receipt of the Property Inspection Removal Addendum, Seller shall notify Purchaser, in writing of what steps, if any, the Seller will take to correct any identified condition, issue or defect before closing. The failure of Seller to deliver a response before the expiration of this time period shall be treated as a notification that Seller will not make any repairs.

If the Seller is unwilling or unable to remedy the identified conditions, issues or defects to the Purchaser’s reasonable satisfaction, the Purchaser may elect to give written notice that Purchaser accepts the Property without any repairs or remediation to be done by Seller. If Purchaser does not elect to take the Property "As Is" within forty-eight (48) hours of the Seller’ response (or the deadline for response, if no response was timely provided), the Purchase Agreement shall be automatically null and void, at which time Purchaser shall be paid the Deposit with no further agreement or release required.

24. Purchaser’s Personal Inspection: This offer is based upon Purchaser’s personal inspection or investigation of the property and not upon any representation or warranties of condition by Seller or any limited agents involved in this transaction. If finished sq.ft., age, location of property lines, lot size, condition of improvements, protective covenants, designated school or school district, or other specific requirements are important to Purchaser’s decision to purchase, Purchaser acknowledges the limited agents have advised Purchaser to make or procure independent investigations.

25. Condition of Property: Seller represents to the best of Seller's knowledge, information and belief, there are no material, latent defects in the Property nor any conditions present or existing with respect to the Property which may give rise to or create Environmental Hazards or Liabilities and there are no enforcement actions pending or threatened with respect to the Property or any conditions present on it, except as have been disclosed in writing to Purchaser. Seller agrees to maintain the landscaping, sprinkler system, heating, air conditioning, water heater, sewer, plumbing, electrical systems and any built-in appliances in functional and operable condition until delivery of possession, unless otherwise noted in the Seller Property Condition Disclosure Statement or specified herein. Seller will allow Purchaser to walk through Property within _____ hours before closing to confirm compliance with this Purchase Agreement.

26. Wood Infestation: Purchaser (Seller, in the case of a new VA loan) agrees to pay the cost of a wood destroying insect inspection of the building and attached and detached structures, and Seller agrees to pay for any treatment or repair work found necessary for issuance of a wood destroying insects warranty. Purchaser agrees to designate the inspector for such inspection in writing to Seller’s Agent within ten (10) days after acceptance of this offer. Purchaser agrees to accept the treated Property upon completion of repairs. Provided, however, if treatment and repairs exceed 2% _____ of purchase price, this Purchase Agreement may be cancelled by Seller and/or Purchaser, by written notice delivered to the other party within five (5) days of receipt of a wood destroying insect inspection report, which inspection report must be delivered to the Seller and Purchaser within ten (10) days after acceptance of this Purchase Agreement, at which time Purchaser shall be paid the Deposit with no further agreement or release required. Termite inspection work is to be performed by _____ or _____

27. Insurance: Seller shall insure the property for fire, wind, hail, explosion, water or any other cause at no less than r cost until closing. Risk of loss or damage to Property, prior to closing, shall be the responsibility of Seller. If, prior to closing, the structure on the Property is materially damaged; Seller shall immediately notify the Purchaser in writing of the damage. Purchaser, at Purchaser’s choice, may: 1) rescind this Agreement, at which time Purchaser shall be paid the Deposit with no further agreement or release required; or 2) take the Property subject to the damage, with the Seller paying to the Purchaser the insurance proceeds and deductible for the replacement of the Property or at a price discounted by the cost of restoration of the premises. Purchaser agrees to insure the Property at closing.

28. Smoke Detector: Seller agrees to install, at Seller’s expense, smoke detectors as required by law.

29. Compensation of Selling Broker: Purchaser shall pay Selling Broker compensation of \$_____ at closing. The compensation will be collected in all cases except if Purchaser secures a loan that does not allow Purchaser to pay for such compensation. If this compensation is paid by Purchaser to Selling Broker, Seller and Purchaser agree that Selling Broker, which may be the same as the Listing Broker, or any cooperating broker may collect compensation from both Seller and Purchaser.

30. Lead-Based Paint Addendum: Was property built before 1978? Yes No. If yes, Purchaser and Seller must complete Disclosure of Information on Lead-Based Paint and/or Lead-Based Paint Hazards.

31. Equal Opportunity: It is unlawful to discriminate against any person in the terms, conditions or privileges of sale, purchase or lease of a dwelling or in the division of services or facilities in connection therewith because of race, color, religion, national origin, ethnic origin, familial status, sex handicap, disability or sexual orientation, or age in the City of Omaha if an individual is forty (40) years of age or older.

This Agreement and any addendums or modifications may be signed in counterparts and such counterparts shall be considered as one document.

34. Arbitration and Mediation:

A. Disputes: The term “Dispute” shall include, without limitation, any controversy, complaint, dispute, claim or disagreement relating to or arising out of the construction, interpretation, enforcement, or breach of the terms of this Purchase Agreement between Purchaser and Seller.

B. Mediation: In the event of any Dispute, any party to the Dispute may seek non-binding mediation in an attempt to resolve the dispute by giving fifteen (15) days written notice of a request for such mediation to all other parties to the Dispute. The request for mediation must be made within three hundred sixty five (365) days after the party making the request knew, or exercising reasonable diligence and care, should have known, of the Dispute. In no case shall such request be made after the statute of limitations on a civil suit based on the Dispute would have run. Such mediation shall be administered by the American Arbitration Association and shall be conducted according to the American Arbitration Association’s Commercial Rules – Real Estate Industry Arbitration Rules (including a Mediation Alternative) or such other mediation service versed in real estate practices of the locality.

C. **Arbitration: Any Dispute that is not resolved by informal settlement or mediation shall be resolved exclusively by binding arbitration. D. Provisional Remedies. The filing of a judicial action to enable the reporting of a notice of pending action, for order of attachment, receivership, injunction, or other like provisional remedies, shall not constitute a waiver of mediation or arbitration under this provision, nor shall it constitute a breach of the duty to arbitrate.
